To Whom It May Concern:

I am writing in support of the Life After Whistles organization, a non-profit organization established to provide student-athletes with the life skills necessary for productive lives after their lives on the court end. Life After Whistles recognizes the importance of developing our student-athletes into future leaders. I believe the Life After Whistles program will offer an innovative approach to teaching and coaching our students as they prepare for their futures.

Thank you for the opportunity to express my support of this excellent new organization.

Sincerely,

Bob Knight
